Principal's Report

Sovereign Hill Special!

Last week our Gr 5/6 student journey to Ballarat and back in time to Sovereign Hill for their camp.

The students explored the mines, panned for gold and most importantly visited to sweet shop! Students also attended the costume school for a day and a half and had to learn that 'Children should be seen and not heard' which is possibly being considered for our new motto...

The students had a wonderful time and their conduct was a credit to the school and their families.

Camps are a huge event to organise for teachers on top of their every day workload, so a huge thank you and congratulations to Mrs Stewart, Ms Merlino and Ms Lahza for their work.

Our brilliant parent helpers made the Camp possible – thank you for your service!

Tuning in to Kids Emotionally Intelligent Parenting

The Family Wellbeing Program is providing a six session parenting program for parents and carers of children.

Would you like to learn how to:

- Be better at talking with your child?
- Be better at understanding your child?
- Help your child learn to manage their emotions?
- Help to prevent behavior problems in your child?
- Teach your child to deal with conflict?

Tuning in to Kids shows you how to help your child develop emotional intelligence. Children with higher emotional intelligence:

- have greater success with making and keeping friends
- have better concentration at school
- are more able to calm down when upset or angry
- tend to have fewer childhood illnesses

Emotional intelligence may be a better predictor of academic and career success than IQ!
