SRC Disney Disco!

On Fri 11th August our SRC Captains organised a Disney Disco to raise money for the Children's Cancer Institute. There were some great costumes as students dressed up in as much or as little Disney as they wanted – from socks to head-to-toe costume. It was a fabulous day, with lots of fun and dancing. We raised \$231.50. Thank you to all for a fabulous time!

Poetry Anthology Share

On Friday all students shared their poetry anthologies with the whole school. Students displayed their poetry and all classes went on tour to see what everyone has been writing and working on. There were some wonderful poems and fantastic creative writing and excellent word choice. Well done to our authors! At Assembly Vivienne of P/1C read her haiku poem about winter – very fitting on a cold day!

Gr 3/4 High Ability Writer's incursion

On Monday this week I attended a writing workshop. The author taught us how to describe characters we made up and ones we were given.. We did exercises such as what characters would say if they were in trouble and describing what our characters had beside their chair or in their pencil case. It was fun and taught me a lot.

Gr 5/6 Maths Games Day

On Wednesday the 16th August 2023 11 Gr 5/6's went to a Maths competition held in Ringwood South. My favourite bit was competing against other schools to win prizes. I had a great time! There was a Snakes and Ladders game using dice and different operations to move along. There were also challenges between tables groups, where you had to solve a puzzle to win tokens, and the tokens won prizes. At lunch and recess we played basketball against Ringwood Sth PS – it was a close game.

Community Day – Food Drive

A community day is where we do something for the community. This term, students brought a non-perishable food item to take to the Open Door Church for people in need. Some ideas people were given were long life milk, a can of baked beans, and tuna. Captains collected the food from the classrooms and took it across to the Open Door Church.

We acknowledge and pay respect of the Wurundjeri people of the Kulin Nation, their Ngurungaeta-Murrundindi, and their Elders, as the Traditional Owners of the land on which our School stands.

Power to Save: Helping Parents Reduce Household Energy Use

We want to hear about your experiences and opinions.

Our project
Yarra Ranges Council has partnered with Deakin University to conduct four local focus groups to better understand parents' energy use and what supports they may need to lower this.

Want to know more?

Scan me

Focus groups will run for two hours and are open to expressions of interest from local parents of children aged 0-18 years.

PRESS RELEASE

MOUNT BURNETT OBSERVATORY 'FOOTY OVAL ASTRONOMY' THE BIGGEST ASTRONOMICAL EVENT OF THE YEAR.

The Mount Burnett Observatory as part of National Science Week host 'Footy Oval Astronomy' on Saturday the 19th of August between 7pm and 10pm.

FOR BOOKINGS AND VENUE DETAILS PLEASE GO TO OUR WEBSITE
<https://mbo.org.au/event/footy-oval-astronomy>

This is a free family safe event.

This event has been made possible by a National Science Week grant.

Educational and fun activities include our experienced MBO Astronomers on how to use telescopes whilst you enjoy looking at deep space objects. Our off-site team will relay discoveries from space from a dark sky location in country Victoria via Channel 31 who will broadcast the event live to free-air TV and Facebook.

Guest speakers feature delegates from the 'Monash University High Powered Rocketry Team', 'MBO NAMBO Team' and 'MBO Radio Astronomy Team'.

Be an upcoming scientist of the future and check out the great activities with the MBO 'Young Observers'.

Dance under the stars with local live band, St Emerald.

Food and refreshments will be available.

Bookings: <https://mbo.org.au/event/footy-oval-astronomy> or call MBO Event Organiser, Kim Steere on 0409 703 929 or email info@mbo.org.au
