Principal's Report

It's great to be back!

I've had a wonderful break for a few weeks, and it's great to be back with the children, staff and our school community. Thanks to Mrs Carice D'Rozario who stepped into my role, and did a wonderful job.

Our New School Values

We have now launched our new school values! These values were decided after consultation with our school community and teachers, as part of our School Wide Positive Behaviour program. You'll be hearing a lot about our school values as the children focus on one value each week. This week we are focusing on Respect, and students are receiving 'Respect Tickets' when we see this value. These will be drawn at Assembly each week. Next week we will focus on Courage.

Little Angler Kits for grade 5 students

The Victorian Government is investing \$1.5 million from the Recreational Fishing Licence Trust Fund to provide up to 95,000 Little Angler Kits to primary school aged children in Victoria.

The free kits provide a wonderful school holiday activity for children with their families and help ease the cost of living, providing a fun activity close to home.

Grade 5 students at all Victorian schools, including ours, will be offered the opportunity to receive a FREE Little Angler Kit. Grade 5 students have been selected based on the Victorian Curriculum focus, movement and motor development, and safety considerations.

The program is entirely voluntary. Parents can decide whether they want their child to receive a free fishing kit. Please drop into the office to collect yours or give us a call to make other arrangements.

The kits include a rod, reel with line, tackle tray, some tackle and information on how to use them to catch a fish. Please note that the tackle tray includes fishing hooks. The tackle tray will be wrapped in cardboard and placed inside a pocket inside the fishing kit bag, which will be sealed with a cable tie to discourage students from opening their kits until they are with a parent or carer.

The Victorian Fisheries Authority will create a Little Angler hub on their website, which will be live when the kits start being distributed. It will have useful information, instructional videos and online resources about where and how to fish linking to existing resources from Fishcare and new resources to be produced just for the Little Angler Kits program.

This initiative aims to grow recreational fishing participation in Victoria by actively encouraging primary school aged children to learn how to fish, as well as learning more about marine life and the natural environment.

We acknowledge and pay respect of the Wurundjeri people of the Kulin Nation, their Ngurungaeta-Murrundindi, and their Elders, as the Traditional Owners of the land on which our School stands.

Go Blue Day—

Wednesday 15th November

On this coming Wed 15th Nov we are raising awareness and supporting those living with Type 1 Diabetes.

We are doing this by 'Wearing it Blue'. Students can wear something blue, like a hair tie, nail polish, socks, or wear a T shirt or blue jeans. A gold coin donation towards finding a cure for diabetes is welcomed.

Type 1 diabetes is a serious condition where your child's body no longer produces insulin, an important hormone that helps turn glucose (sugar) into energy for the body.

For more information visit www.JDRF.org.au

Know the 4T early signs

Toilet **Thirsty** **Tired** **Thinner**

If your child has one or more of these symptoms, they may have type 1 diabetes. A delay in diagnosing type 1 diabetes can lead to a severe and potentially fatal complication called diabetes ketoacidosis, or DKA. An easy, fast and free blood glucose check from your GP is all that it takes to diagnose type 1 diabetes.

Tuning in to Kids Emotionally Intelligent Parenting

The Family Wellbeing Program is providing a five session parenting program for parents and carers at Monbulk Primary School and Woori Yallock Primary School.

familywellbeingreferrals@vt.uniting.org

Would you like to learn how to:

- Be better at talking with your child?
- Be better at understanding your child?
- Help your child learn to manage their emotions?
- Help to prevent behavioral problems?
- Teach your child to deal with conflict?

Tuning in to Kids shows you how to help your child develop emotional intelligence. Children with higher emotional intelligence:

- Have greater success with making and keeping friends
- Have better concentration at school
- Are more able to calm down when upset or angry
- Tend to have fewer childhood illnesses

Emotional intelligence may be a better predictor of academic and career success than IQ!

The program runs each Wednesday for 6 Weeks

Start Date: Wednesday, the 1st of November

Time: 4:30 – 6:30 pm

Where: Online (via Teams)

Please register using the link below by 28/10/2023:
