Maths at Monbulk PS

Last Fri 22nd Nov I had the privilege of joining our Maths Specialists for the final conference of the Primary Maths Science Specialist initiative. Over the past two years Mrs Holloway and Mrs Judges have undertaken intensive professional learning in Maths and Maths teaching, and have in turn trained our staff in teaching maths. They have introduced a Maths teaching model which includes and challenges students of all levels, hand-on activities, and tackles maths anxiety. There are also a suite of new resources and documentation which have supported the transformation of maths teaching and engagement at MPS. I am very grateful for their work and look forward to their continuing impact on our Maths learning at MPS.

Thank you & Farewell Mr Rus

Mr Rus will be on medical leave for the remainder of 2025 and we wish him every success in his return to health. Mr Rus taught PE at Monbulk PS and agreed to take on the one year contract here at very short notice. He also co-ordinated inter-school sports events for the District, enabling hundreds of students to participate in sport at a higher level. Thank you Mr Rus! For the remainder of the year PE will be taught by relief teachers; Shannon and Mrs Owens.

Brodie Prout

Hi there! I'm Mrs Prout!

Some of you might remember me from a few years ago. I'm so excited to be teaching at Monbulk Primary School in 2025! Some of the things I like are spending time at the beach, playing netball (or any sport, really!), and I also like watching AFL! I barrack for the Richmond Tigers. I have a little dog named Maggie and she loves going on walks. My favourite subject is Maths but I also love learning about plants and animals. I can't wait to get to know you all a little better!
