Farewell and thank you

This year has been filled with learning, laughter, and opportunities to challenge ourselves in new ways. Our classrooms have been buzzing with curiosity, our playgrounds filled with new friendships, and our school events overflowing with energy and pride.

Thank you to every student for your work this year. You have shown **Respect** in the way you listen, learn, and treat one another with kindness. You have demonstrated **Courage** when trying something new, whether standing on stage, tackling tricky maths problems, or stepping onto a bus for camp for the very first time. Your **Compassion** has been clear in the moments when you've looked after a friend, offered help, or included someone who needed it. And your **Co-operation** has been essential—especially during team activities, group projects, and of course, our outstanding school production of *Moana*, where every voice, every role, and every effort came together brilliantly.

Thank you to our dedicated teachers and staff for guiding our students with passion, patience, and professionalism. You have shaped not only strong learners, but young people of character, empathy, and resilience.

Thank you to our families for being our partners in education, and for your support, encouragement, and trust help make everything we do possible.

To our Grade 6 students, congratulations! You have finished primary school. No doubt you have a mixture of feelings; excitement at being in high school but also feeling sad and nervous for the big changes ahead. It has been a joy to watch you learn and grow, and we know you are ready for this next step in your education.

As we head into the summer holidays, I hope each of you finds time to rest, recharge, and enjoy time with the people you love. We look forward to returning next year, ready for new learning, new adventures, and showing that *R Triple C is the way to be!*

Farewells

This year we farewell two staff, Ms Hanks and Kim Dunstan.

Thank you to Ms Hanks and Cooper for taking over so wonderfully from Mrs Murray. It has been fabulous to have you as part of our school community, and we wish you all the best as you return to your home school.

Thank you and farewell to Kim Dunstan, who has worked with us in the role of Education Support on her journey to become a qualified teacher. It has been a joy to work with Kim, learn from her, and see how she has added to our school and students. We wish her all the best as she begins her teaching career; we know her students and school are lucky to have her

Thank you to our School Councillors

We have several School Council members who will be 'retiring' their role from School Council.

I would like to thank them for their support for me and the school, and the countless hours they have given to making our school such a brilliant place to learn and work.

Thank you for your service

Message from Cathie Yates

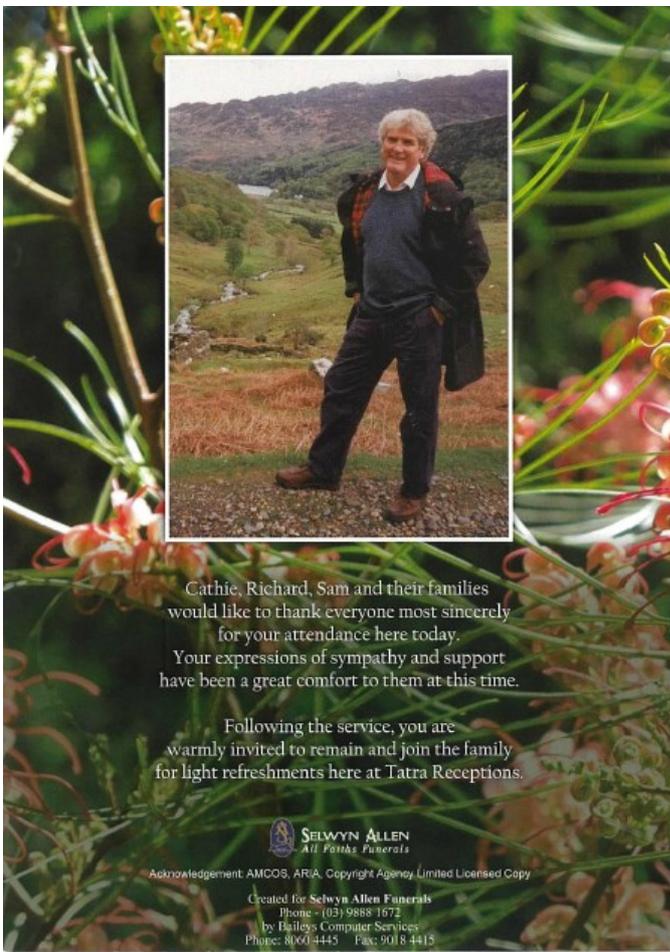

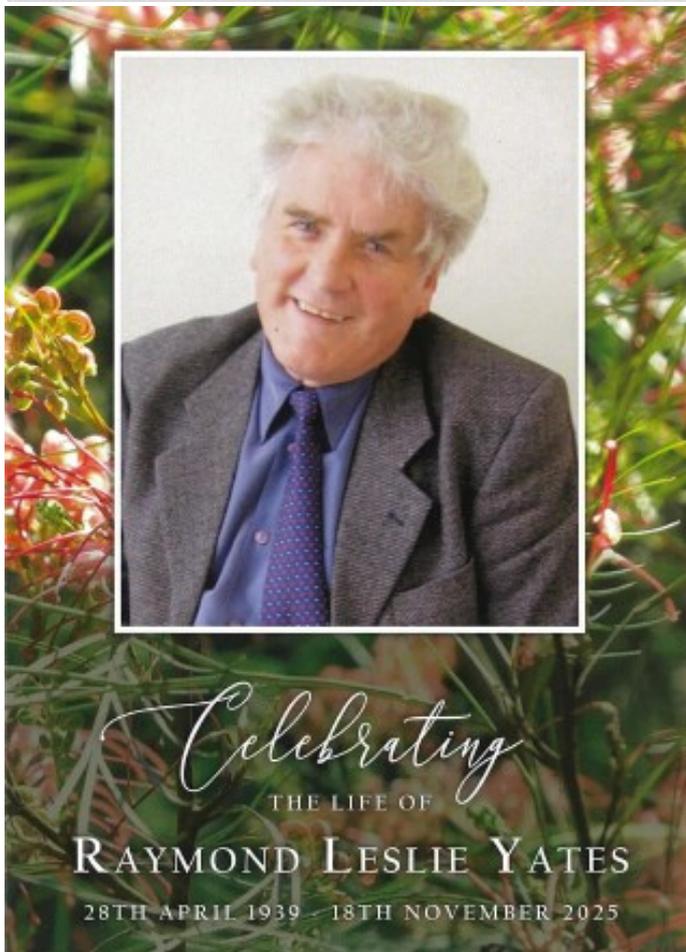

Dear children of Monbulk Primary School,

Thank you so much for all the wonderful drawings you did to celebrate the memory of Mr Yates. He loved this school and he loved all the children who passed through its gates - hundreds and hundreds of them over the years - some of them probably your parents or grandparents.

Your drawings were so colourful that they brightened up the room when people walked in. Mr Yates would have been so happy to know you were thinking of him.

Thank you to all your teachers for giving you the time to do them. They made the day even more special.

With love from Cathie Yates.

We know that you want the best for your kids.

Let's do this. 

As families prepare for their children's next big step — whether transitioning from kindergarten to primary school or from primary to secondary — this can be both an exciting and financially challenging time.

I'd like to introduce **Saver Plus**, a **free financial education** and savings program funded by Department of Social Services, that supports families during these important **School transitions**.

Families who join the program receive:

Up to \$500 in matched savings to help cover **educational costs such as Laptops, uniforms, books, school camps, technology, and more.**

Practical money management skills through fun and engaging online workshops.

Ongoing support from Saver Plus saving coach throughout their savings journey.

Saver Plus has helped thousands of Australian families feel more confident and prepared for school expenses.
