Happy Holidays!

We wish everyone a happy and safe holiday break. I can't quite believe that we've made it half way through the year already. Our Gr 6 students only have 6 months before they move to high school, and our Preps are well and truly settled in.

We've had a wonderful term of events; House Athletics, ANZAC Assemblies and parades, and Pyjama Day. We also hosted some wonderful incursions, including a visit from author Davina Bell, Civics & Citizenship voting for Gr 3/4, and our wonderful Storyteller's Afternoon for our Preps.

Thank you to our wonderful teachers for their hard work and professionalism.

Fundraising News

Come and Join the Parent Support Group

Please contact the office if you would like to join a great group of Parents raising funds for our children's educational needs. Your involvement in fundraising activities is always welcome.

Tasty Tucker Thursdays

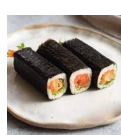

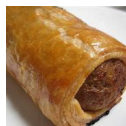

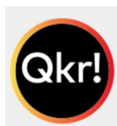

Order by 9am Tuesday on the QKR app

Every Thursday at Monbulk Primary School tasty treats are delivered from Edison's Bakery and Ethans Kitchen. Purchase your lunch order via the QKR app by 9am on Tuesdays. Lunch orders will be collected and delivered to the students classroom by 1.30pm each Thursday.

We urge you to support this fundraiser. Orders placed directly with the Bakery do not count towards this fundraising activity.

**If a student is absent on the day of the lunch order, please contact the office on 9756 6481 or Monbulk.ps@education.vic.gov.au to let us know if you would like us to hold the order for collection. If we do not hear from you, we will distribute the lunch to other students and/or staff. Click the link below to access the QKR App and download it on your phone

New Community Recycling Hubs

You may have noticed new recycling hubs popping up across the Yarra Ranges. We're pleased to introduce these hubs at our Community Links in Monbulk, Upwey, Lilydale, Healesville and Belgrave, providing residents with a safer, more convenient way to dispose of difficult and hazardous household items. Many everyday items can't go in kerbside bins due to safety and contamination risks. These hubs help keep materials out of landfill and ensure they're recycled or processed correctly.

Simply bring your eligible items to your nearest hub and place them in the designated sections. The service is free and designed to make recycling easier and safer for the community. Accepted items include household batteries, e-waste, vapes, x-rays, light globes, fluorescent tubes, CDs, DVDs, video and audio cassettes.

The program will run as a 12-month trial to help determine the best locations and accepted items for community needs.
