## NAIDOC Week

This week we have been recognising NAIDOC Week. NAIDOC is a time for all Australians to celebrate and recognise the histories, cultures and achievements of Aboriginal and Torres Strait Islander peoples. They are our first Australian, and the world's oldest continuing culture.

During this week students have been undertaking activities to learn about and honour the rich traditions, knowledge, resilience and contributions of First Nations peoples, while also reflecting on our shared history and our commitment to reconciliation. Student have also been cooking with indigenous ingredients, and our Prep students will perform at our Assembly.

Through learning, listening and celebrating together, we build greater understanding, respect and appreciation for Aboriginal and Torres Strait Islander cultures. It is more important than ever for our children to understand, respect and include everyone from all cultures and walks of life.

## Items to Action on Compass and Special Announcements

- Tomorrow 12<sup>th</sup> June is a Curriculum Day - No Students required at school.
- Parent Teacher Interviews 24th June students dismissed at 2.10pm, Students not able to be collected will have an alternative program with the Specialist Teaching Team. Their Care (after school care) will run as usual from 3.10pm.

## AFLW Visit

We were very lucky to welcome some AFLW players from Hawthorne. Students had a chance to meet the players, hear about their lives as professional footballers, and ask lots of questions. These included the player's favourite colours, favourite animals, what clubs they played for, and their favourite players. Several lucky students also had photos, and had the players sign special items. It is also fantastic for our girls to see a professional football pathway could be in their future, if they work hard and train hard.

Thank you to Mr Freeling for organising this event!
