Burns Bros Racing 2026

BENJI – 8 YEARS OLD 🏁

Competing in the 50cc (6–9 years) and 65cc (7–10 years) classes, Benji showed incredible resilience after spending 12+ weeks off the bike recovering from a broken leg.
He finished 2nd in the Gippsland Regional Championship 50cc class, despite missing a round, and qualified 9th in Australia for the Junior Australian Motocross Championships.
Unfortunately, heavy rain turned the track into a mud pit during the finals, and mechanical issues affected his final race. Benji finished 15th overall in Australia, and we couldn't be prouder of his efforts. Next year, he has his sights set on a top-three finish in Australia!

OLLIE – 7 YEARS OLD 🏁

In his first year of motocross, Ollie has been incredibly consistent, finishing 3rd in the Gippsland Regional Championship and winning the Nunawading & District 50cc (6-9 years) Championship.
Ollie also competed at the Junior Australian Motocross Championships, qualifying 29th in Australia despite a big crash during the heats. After being checked and cleared by the medical team, he returned to racing with determination.
Like Benji, Ollie faced challenging muddy conditions in the finals, with mechanical issues preventing him from finishing his final race. He finished 33rd overall in Australia.
Next year, Ollie is aiming for a top-10 finish in Australia!
The boys have had an incredible year, learning valuable lessons, overcoming setbacks and proving that hard work and determination pay off.
Will Burns Bros Racing throw in the towel after a year of bruises, broken bones and muddy tracks?
Or will they come back hungrier than ever in 2027?

We acknowledge and pay respect of the Wurundjeri people of the Kulin Nation, their Ngurungaeta-Murrundindi, and their Elders, as the Traditional Owners of the land on which our School stands.

Other News

Mont Delancey - Grade 1&2 Excursion

As part of our History unit this semester, our Grade 1/2 students have been exploring what life was like in the past. We have played traditional games, investigated historical artefacts and discovered how our school has changed over time.

Recently, 1/2 students went to Mont De Lancey Homestead, where they stepped back in time to experience life as it was over 100 years ago. They explored the museum, the chapel, and an old homestead with an outdoor kitchen, laundry and toilet. They played a range of traditional games, rode billy carts and took part in a classroom lesson just as children would have done in the past.
